***Could your presentations be more authentic and REAL?
Want to connect better, instantly engaging your listeners?***

Elevate your communication to the next level!

How to Design & Deliver Authentic Presentations

In this lively 90-minute workshop, you will:

- Gain unique ways to structure and deliver presentations - while staying true to yourself
- Explore time-saving tips to craft any type of message and boost your confidence
- Discover seven main channels of your listening audiences and how to authentically connect with each

Apply these skills to elevate your communication excellence... including contest speeches, pitching proposals, building teams and collaboration...! Session includes handy worksheets!

Session: Saturday, April 20 • 10:00 - 11:30am

Speaker will be ON-SITE for the entire Conference.
